

Jesse James Cross Country Meet information
Sept 8th Start time 4:00 pm

Each rostered athlete will have a number and bib assigned to them.

Just a reminder...Varsity Girls - 6 runners, JV Girls - 10 runners. Varsity Boys - 6 runners, JV Boys - 10 runners.

Bibs and pins will be in your team packet. **Packets can be picked up by coaches at the Finish Line Tent when you arrive.**

All team camps need to be in the designated area (see attached map). We do not want any team camps out on the golf course in order to keep spectators separated from the athletes.

We are asking each team to designate a coach to help around the finish line to help athletes from your school that may need assistance after their race. Our Athletic Trainer will be on site to deal with severe situations, but we will not have workers there to help athletes that might need an extra hand after the race.

Coaches may pick up their Medals Packet at the Finish Line Tent.
